Every year many people in the world learn English. Some of them are young children; others are teenagers; and others are adults. Most people must work hard to learn English.

Why do these people want to learn English? It isn't difficult to answer the question. Young children learn English at school because it is one of their subjects. Teenagers often learn English for their higher studies because some of their books are in English at college or university. Some adults learn English in evening classes; others learn English by themselves. Some adults learn English because it is useful for their work; others learn English because they want to read newspapers or magazines in English.

Statements	True	False
29. English is learned by young children.		
30. Young children learn English at school.
